

Report on Town Hall Meeting for Generating Citizens' Inputs into 2024 Budget

Held At three Senatorial Districts of Jigawa State;
Conference Hall, IT Center, Gumel,
Conference Hall School of Deaf, Nguru road, Hadejia,
Conference Hall, Old Building New Secretariat, Dutse.

Date: 23rd, 24th and 26th September, 2023

Organizes by

MINISTRY OF BUDGET AND ECONOMIC PLANNING

In collaboration with

ELIP-Initiative

Preamble

The security and welfare of the people shall be the primary purpose of government. The state shall harness the resources of the nation and promote national prosperity ... in such manner as to secure the maximum welfare, freedom and happiness of every citizen.

In response to the yearnings and demands of citizens and the belief in participatory governance, the Jigawa state government has institutionalized the collection of citizens' input into its annual budget through annual town hall meetings across the three senatorial districts. It is a stride to encourage inclusion and community ownership for improve service delivery.

The State conscious effort for increase openness, inclusiveness and citizens' engagement in budget process, as well as to generate citizens needs/demand into to 2024 budget organizes a town hall meeting in three senatorial districts in the state.

OBJECTIVES OF THE MEETINGS

The border objective of the meetings is to provide a platform for citizens to make inputs into the budget.

Other objectives are:

- i. Sensitize citizens and others stakeholders on the annual planning and budget processes especially how efforts are being to achieve a policy-based budget based on linkages between the State Comprehensive Development Framework (CDF III), Medium Term Sector Strategies by key Sectors and the Annual Budget;
- ii. Unveil the 2024-2026 Macro-economic assumptions (MTEF) to citizens
- iii. To provide opportunity for the Citizens and other Stakeholders to make inputs into the planning and budget process particularly with regards to the 2024 budget;
- iv. To serve as an avenue to Community-Based Organizations (CBOs) / Civil Society Organizations (CSOs) and other invited participants to review and discuss citizens' demand into budget harnessed from grassroots consultations.
- v. To sensitize citizens on the policy thrust of the 2024 budget, objectives and priorities as well as other basic information and rudiments of the budget

Participants

The participants for the one-day activity in each of the three senatorial districts were drawn from various State MDAs, DPRS and Treasurers from all the 27 local government, Civil Society Organizations, Community-Based Organizations, Organized private sector, Youths organizations, organized women groups, PWDs, Traditional and religious Leaders, Trade unions, Development partners and the Academia. In all, a total number of about 350 participants attended the meetings.

Nature of Citizens Inputs collection

- i. Consolidated and harmonized inputs were received from the grass-roots as championed and facilitated by ELIP-Initiative
- ii. Preference of broad sectoral aspirations, development objectives and priorities as opposed to specific projects in specific locations especially those of routine nature
- iii. Comprehensive inputs were collected looking at both the income expenditure components of the budget of each of the critical sectors
- iv. Inputs on refinement of existing policy objectives, legislations and evolution of new ones
- v. Realistic, feasible and relevant.

Report of Town hall meetings from the Three Senatorial Districts

Jigawa North West senatorial District

THEME: Town hall meeting for generating citizens' inputs into 2024 Budget; Jigawa North-West Senatorial District

DATE: 23rd September, 2023

VENUE: Conference Hall, IT Center, Gumel, Jigawa State.

OBJECTIVES:

- I. Increase citizens' level of involvement and participation on budget formulation
- II. To collect citizens inputs into 2024 budget
- III. To share the citizens inputs collected from communities for prioritization
- IV. To promote transparency and accountability in all the processes of budgeting right from planning to execution.
- V. Promote community ownership of public goods and service

PREAMBLE

Public participation on policy formulation, implementation, monitoring and report is cornerstone of good governance. In an effort to strengthen and institutionalized public participant across the entire budget process, Jigawa State Ministry of budget and economic planning in colloboartion with ELIP-Initiative organized town hall meetings in three senatorial districts. The one -day activity provides an opportunity for citizens to participate and engage the initial stage of budget circle. The sessions provide the citizens with an enabling environment to make inputs into the state MTEF projections and submit their inputs to MDAs for consideration in the 2024 budget.

OPENING PROTOCOLS

After the normal opening protocol, The Dircetor donor Coordination, Idris Musa welcome all the participants for the event. While appreciating the participants for honuoring the invitation, he howver wishes the participants for successful deliberations and formally declared the meeting open.

The objective of the meeting was delivered by Director SDGs of the Ministryof Budget and economic Planning. He charges the participants to use the opportunity in setting agenda for government that will improve the security and socio-economic wellbeing of the citizens. The Director emphasized that, citizens' especially Civil Society Organizations have greater role to play in promoting good governance. He urges them to bring meaningful inputs that have positive impact on the general popalarce.

The Director said, the main objective of the town hall is to harvest citizens demand/inputs into the 2024 budget, other objectives includes; increase citizens' level of involvement and participation on budget formulation, Promote community ownership of public goods and service among others.

Jigawa North-East Senatorial District

THEME: Town hall meeting for generating citizens' inputs into 2024 Budget

DATE: 24th September, 2023

VENUE: Makarantar Kurame, along Nguru Road, Hadejia, Jigawa State

PROCEEDINGS OF THE TOWN HALL MEETING

Immediately after the opening protocol the session continues with following activities:

Overview on Citizens Participation in Budgetary Process

A presentation on setting the stage for citizens' inputs into 2024 budget was made by the Director Census and Survey Jigawa state Bureau of Statistics, Labaran Salisu. His presentation centered on the following areas; The Constitutional Premise; that mandate the state to make legislation on all revenue and expenditure accrue to its coppers as well the law that necessitate state to engage citizens' during budget formulation process. Other

segments of his presentation include; overview on the content of State Comprehensive Development Framework and the Overall Policy Objectives, Sectoral Policy Objectives and Targets, 2024 – 2026 MTEF and 2024 Budget.

The presentation generates questions and observation especially on the macro-economic projections. Participant request for upward review of some indicators, e.g. exchange rate, cost of crude oil and inflation rate.

PRESENTATION OF CONTENT OF 2023 CITIZENS INPUTS

Presentation on the overview and feedback of last years citizens input was made by Wada Muhammad of the Exceptional Leadership and Integrity Promotion Initiative, ELIP-Initiative. The preensetation dwells on the content of citizens' inputs collected by the Initiative, methodology, objectives and major findings by sectors, by projects and analysis by Local Government. He also gives feedbacks on 2023 citizens inputs, number of inputs reflected in the 2023 budget and some of the implemented projects that were citizen driven.

To reshape thinking of the participants, another presentation on "Jigawa State investment in critical sectors; the quest for development" was also made by the Executive director ELIP-Initiative, in person of Isah Mustapha. His presentation dwelled on the trends of allocation and expenditure for the critical sectors in comparison with state developmental indices on whether the investment yield positive results. He concluded with posing questions to participants that its left for citizens to rethink in bringing out inputs into 2024 budget.

Collection of Citizens' Inputs

The participants were grouped into key sectors to submit/present their inputs. (see Annex

PROCEEDINGS OF THE TOWN HALL MEETING

Immediately after the opening protocol the session continues with following activities:

OPENING PROTOCOLS

After the normal opening protocol, the Honourable Commissioner of the Ministry of Budget and Economic Planning, Babangida Umar Gantsa welcomes all the participants for the event. While appreciating the

participants for honoring the invitation, he assures the participants that government will continue to prioritize citizens input into 2024 budget.

The objective of the meeting was delivered by Director Budget of the Ministry of Budget and Economic Planning. He charges the participants to use the opportunity in setting agenda for government that will improve the security and socio-economic wellbeing of the citizens. The Director emphasized that, citizens' especially Civil Society Organizations have greater role to play in promoting good governance. He urges them to bring meaningful inputs that have positive impact on the general populace.

The Director said, the main objective of the town hall is to harvest citizens demand/inputs into the 2024 budget, other objectives includes; increase citizens' level of involvement and participation on budget formulation, Promote community ownership of public goods and service among others.

While stating the objectives of the meeting, the Permanent Secretary of the Budget Directorate stressed that it is high time for communities to avoid competitive inputs, but forwarding reasonable and prioritized ones. He urges the participants to come out with their community needs in line with CDF II, MTSS and other relevant policies. He called on the citizens to bring out issues of serious concern in line with such policy documents, such as the Comprehensive Development Framework (CDF II, MTSS, MTEF etc).

PRESENTATION OF CONTENT OF 2023 CITIZENS INPUTS

Presentation on the overview and feedback of last years citizens input was made by Wada Muhammad of the Exceptional Leadership and Integrity Promotion Initiative, ELIP-Initiative. The presentation dwells on the content of citizens' inputs collected by the Initiative, methodology, objectives and major findings by sectors, by projects and analysis by Local Government. He also gives feedbacks on 2023 citizens inputs, number of inputs reflected in the 2023 budget and some of the implemented projects that were citizen driven.

To reshape thinking of the participants, another presentation on "Jigawa State investment in critical sectors; the quest for development" was also made by the Executive director ELIP-Initiative, in person of Isah Mustapha. His presentation dwelled on the trends of allocation and expenditure for the critical sectors in comparison with state developmental indices on whether the investment yield positive results. He concluded with posing questions to participants that its left for citizens to rethink in bringing out inputs into 2024 budget.
