Held At three Senatorial Districts;
Ali Saadu Conference Hall, COE, Gumel,
Conference Hall School of Deaf, Nguru road, Hadejia,
Conference Hall, Old Building New Secretariat, Dutse.

Date: 7th, 8th and 10th September, 2024

Organizes by

MINISTRY OF BUDGET AND ECONOMIC PLANNING

In collaboration with

ELIP-Initiative

Preamble

The security and welfare of the people shall be the primary purpose of government. The state shall harness the resources of the nation and promote national prosperity in such a manner as to secure the maximum welfare, freedom and happiness of every citizen.

In response to the yearnings and demands of citizens and the belief in participatory governance, the Jigawa state government has institutionalized the collection of citizens' input into its annual budget through annual town hall meetings across the three senatorial districts. It is a stride to encourage inclusion and community ownership for improve service delivery.

The State conscious effort for increase openness, inclusiveness and citizens' engagement in budget process, as well as to generate citizens needs/demand into to 2025 budget organizes town hall meetings in three senatorial districts in the state.

OBJECTIVES OF THE MEETINGS

The border objective of the meetings is to provide a platform for citizens to make inputs into the budget.

Other objectives are:

- i. Sensitize citizens and others stakeholders on the annual planning and budget processes especially how efforts are being to achieve a policy-based budget based on linkages between the State Comprehensive Development Framework (CDF III), Medium Term Sector Strategies by key Sectors and the Annual Budget;
- ii. Unveil the 2025-2027 Macro-economic assumptions (MTEF) to citizens
- iii. To provide opportunity for the Citizens and other Stakeholders to make inputs into the planning and budget process particularly with regards to the 2025 budget;
- iv. To serve as an avenue to Community-Based Organizations (CBOs) / Civil Society Organizations (CSOs) and other invited participants to review and discuss citizens' demand into budget harnessed from grassroots consultations.
- v. To sensitize citizens on the policy thrust of the 2025 budget, objectives and priorities as well as other basic information and rudiments of the budget

Participants

The participants for the one day activity in each of the three senatorial districts were drawn from the state and Non state actors which include the State MDAs, DPRS and Treasurers from all the 27 local government, Civil Society Organizations, Community-Based Organizations, Organized private sector, Youths organizations, organized women groups, PWDs, Traditional and religious Leaders, Trade unions, Development partners and the Academia. In all, a total number of about 411 participants attended the meetings.

Nature of Citizens Inputs collection

- i. Consolidated and harmonized inputs were received from the grass-roots as championed and facilitated by ELIP-Initiative
- ii. Preference of broad sectoral aspirations, development objectives and priorities as opposed to specific projects in specific locations especially those of routine nature
- iii. Comprehensive inputs were collected looking at both the income expenditure components of the budget of each of the critical sectors
- iv. Inputs on refinement of existing policy objectives, legislations and evolution of new ones
- v. Realistic, feasible and relevant.

Report of Town hall meetings from the Three Senatorial Districts Jigawa North East Senatorial District

ACTIVITY: Town Hall Meeting for Generating Citizens' Input into 2025 Budget*

DATE: 7th September, 2025.

VENUE: Jigawa State School for the Hearing Impaired, Nguru Road, Hadejia.

PREAMBLE:

In its effort to ensure transparency and citizens' participation in budgetary process, Jigawa state government through the Ministry of Budget and Economic Planning in collaboration with ELIP-Initiative organized a town hall meeting for collection of citizens' inputs into the 2025 budget in Hadejia. The town hall meeting which encompassed the eight (8) Local Government Areas of Jigawa North-East Senatorial District was part of the government's efforts to promote transparency, accountability, and inclusivity in the budgeting process. The objective of the meeting was to generate citizens' input into the 2025 budget, ensuring that the budget is people-centered and addresses the needs of the community. The meeting brought together citizens from

various walks of life, including community leaders, civil society organizations, government officials, women groups, and traditional leaders, Directors Planning Research and Statistics of the eight (8) LGAs. The town hall meeting provides a platform for citizens to contribute to the budgetary process, ensuring that their voices are heard and their priorities are reflected in the budget.

OPENING PRAYER

The meeting commenced with an opening prayer led by a volunteer, setting the tone for a productive and inclusive discussion.

INTRODUCTION OF MEMBERS OF THE HIGH TABLE

The members of the high table were introduced, including representatives from the Ministry of Budget and Economic Planning, and other stakeholders.

OPENING REMARK

The Director of Planning, Research, and Statistics of the Ministry of Budget and Economic Planning delivered an opening remark, emphasizing the importance of citizen engagement in the budgetary process. He expressed dismay over the citizens' attitude towards their inability to follow-up the inputs they submitted with the Ministry. He however enjoined them to keep an eagle eye on the inputs submitted and ensure that they (the inputs) are feasible.

OBJECTIVES

The Director Budget Monitoring presented the objectives of the town hall meeting, which included:

- I. To promote citizen engagement and participation in budgetary process
- II. To ensure transparency in the budget process
- III. To ensure inclusivity of the citizens in the budgetary process.

OVERVIEW ON CITIZEN PARTICIPATION IN BUDGETARY PROCESS

A presentation was made by the Director of ICT, Ministry of Budget and Economic Planning, Labaran Salisu, on the overview of citizen participation in the budgetary process, highlighting the significance of citizen input in shaping the budget. The presentation dwelled much on legal provision, policy documents on the citizens' participation in budgetary process. Moreover, the presenter responded to questions that were asked.

FEEDBACK FROM THE 2024 CITIZENS' INPUT

The Executive Director of Exceptional Leadership and Integrity Promotion Initiative shared feedback from the 2024 citizens' input, providing valuable insights into the effectiveness of previous budgetary allocations. According to him, the total of one thousand one hundred and five (1105) inputs was submitted into the 2024 budget, with five hundred and forty eight (548) inputs reflected. He however said that the work sector took the lion share of the entire inputs submitted into the 2024 budget, indicating citizens' high demand on road construction, which according to him was not the priority of the teeming citizens submitting the inputs. He further asserted that such misplace of priority from the side of citizens was the product of unhealthy rivalry among benefitting communities. Other challenges faced during the citizens' inputs into 2024 budget were, cross programmatic efficiency, difficulty to balance between needs and wants in democratic space among others.

CITIZENS' INPUT AND DISCUSSIONS

The meeting proceeded with citizens' input and discussions, where participants shared their priorities, concerns, and suggestions for the 2025 budget. The discussions were facilitated by the high table members, ensuring that all voices were heard and recorded.

CONCLUSION AND NEXT STEPS

The meeting concluded with a summary of the key takeaways and next steps. The citizens' input will be compiled and presented to the relevant authorities for consideration in the 2025 budget.

CLOSING PRAYER

The meeting was closed with a closing prayer.

Jigawa North-East Senatorial District

THEME: Town Hall Meeting for Generating Citizens' Input into 2025 Budget*

The meeting concluded with a summary of the key takeaways and next steps. The citizens' input will be compiled and presented to the relevant authorities for consideration in the 2025 budget.

CLOSING PRAYER

The meeting was closed with a closing prayer by a volunteer.

Jigawa North-Central Senatorial District

ACTIVITY: Town Hall Meeting for Generating Citizens' Input into 2025 Budget

DATE: 10th September, 2025.

VENUE: Conference Hall, Old Block, New Secretariat Complex, Dutse.

OVERVIEW

In a bid to enhance transparency and encourage citizen involvement in the budgeting process, the Jigawa state government, through the Ministry of Budget and Economic Planning in partnership with ELIP-Initiative, hosted a town hall meeting in Dutse to gather public input for the 2025 budget. This event, which included participants from the 7 Local Government Areas of the Jigawa-Central Senatorial District and 1 LGA (Ringim for proximity) from Jigawa North-West Senatorial District, aimed to foster transparency, accountability, and inclusivity in budgeting.

The primary goal was to ensure that the 2025 budget is centered on the community's needs. Attendees included community leaders, civil society representatives, government officials, women's groups, traditional leaders, and Directors of Planning, Research and Statistics across the eight (8) LGAs. The town hall meeting provided a crucial platform for citizens to voice their opinions and priorities, ensuring their contributions are reflected in the upcoming budget.

Opening Prayer

The meeting commenced with an opening prayer led by a volunteer, setting the tone for a productive and inclusive discussion.

Introduction of Members of the High Table

The members of the high table were introduced, including representatives from the Ministry of Budget and Economic Planning, and other stakeholders.

Welcome Address

Welcoming the participants, the Permanent Secretary, Ministry of Budget and Economic Planning set the tone for the event with a clarion call for citizen engagement in the budget process. He lamented the all-too-common phenomenon of citizens submitting their inputs, only to disengage and leave them to gather dust. Instead, he urged citizens to be vigilant stewards of their own proposals, tracking their progress and ensuring they are translated into tangible, feasible outcomes that benefit the community.

Objectives

The Director Planning, Research and Statistics of the Ministry of Budget and Economic Planning presented the objectives of the town hall meeting as thus:

- I. To promote citizen engagement and participation in budgetary process

- II. To ensure transparency in the budget process
- III. To ensure inclusivity of the citizens in the budgetary process.

Overview on Citizen Participation in Budgetary Process

The Director Budget, Ministry of Budget and Economic Planning, delivered a compelling presentation that shed light on the pivotal role of citizen participation in shaping the budget. He navigated the audience through the intricacies of legal frameworks and policy documents that govern citizen engagement in the budgetary process, emphasizing the imperative of citizen input. The presentation sparked a lively Q&A session, with the Director Budget addressing questions and fostering a deeper understanding of the topic.

FEEDBACK FROM THE 2024 CITIZENS' INPUT

The Executive Director Exceptional Leadership and Integrity Promotion Initiative shared feedback from the 2024 citizens' input, providing valuable insights into the effectiveness of previous budgetary allocations. According to him, the total of one thousand one hundred and five (1105) inputs was submitted into the 2024 budget, with five hundred and forty eight (548) inputs reflected. He however said that the work sector took the lion share of the entire inputs submitted into the 2024 budget, indicating citizens' high demand on road construction, which according to him was not the priority of the teeming citizens submitting the inputs. He further asserted that such misplace of priority from the side of citizens was the product of unhealthy rivalry among benefitting communities. Other challenges faced during the citizens' inputs into 2024 budget were, cross programmatic efficiency, difficulty to balance between needs and wants in democratic space among others.

CITIZENS' INPUTS COLLECTION

The participants were grouped into LGAs to collate and submit their inputs

CLOSING PRAYER

The meeting was closed with a closing prayer.
